ITEM 5. OTHER EVENTS

On August 24, 1998, Lear Corporation (the "Company") reported that its third quarter 1998 earnings per share will be adversely affected due to the impact of work stoppages at General Motors plants.

Earnings per share for the quarter ending September 26, 1998, have been adversely affected by approximately \$.21 per share due to these work stoppages. Based upon this customer's current production schedule for the remainder of calendar 1998, the Company believes there is a limited potential for recovery of a significant portion of this amount.

This contains forward-looking statements within the meaning of the Private securities Litigation Reform Act of 1995. Actual results may differ materially from the anticipated results as a result of certain risks and uncertainties, including, but not limited to, general economic conditions in the vehicles for which the Company is a supplier, labor disputes involving the Company or its significant customers, risks associated with conducting business in foreign countries and other risks detailed from time to time in the Company's Securities and Exchange Commission filings.

ITEM 7. FINANCIAL STATEMENTS AND EXHIBITS.
